Disclaimer

The results data of the IPC Historical Results Archive is based on information contained/ sourced in the original hardcopy final results publications. Some information from earlier Paralympic Games (i.e. 1960-1988) such as relay and team members are not presented in these source. Therefore, final results, medal standings and derived statistics may not be complete. If you encounter any inaccuracies or errors, please do not hesitate to send a message to [sdmsadmin\[at\]paralympic\[dot\]org](mailto:sdmsadmin@paralympic.org) with the details and proving materials.

Important note on competition partners: Competition partners eligible for medals are included in the combined participant statistics until 2014. Currently, only the statistics for 2016 consider athletes with an impairment and their competition partners separately. If you need participant statistics for athletes with an impairment only, please contact us at [sdmsadmin\[at\]paralympic\[dot\]org](mailto:sdmsadmin@paralympic.org). Sports affected are cycling (tandem pilots), football 5-a-side (goalkeepers) and rowing (coxswains). Guides in athletics, alpine and nordic skiing that are eligible for medals are not in the database, yet, but will be included at a later stage.
